

Forage Fusion

ENERGY AND MINERAL BOOSTER FOR PASTURES

Forage Fusion is a combination of natural products specially selected to support and promote the growth of forages and pastures. Gives forages and pastures the energy boost of Fish Force while providing a full suite of trace and ultra-trace minerals to support healthy growth and photosynthesis. By including Fish Force, the benefits of other ingredients are enhanced, improving the microbial and plant response to increase crop quality and yield.

Elevate Ag is making a positive impact in the world of agriculture. With innovative ideas and cutting-edge technology, we are revolutionizing how food is grown and helping farmers increase their yields and profits. We offer products that ensure a more vibrant, productive, and sustainable future for farmers and their communities.

Forage Fusion

ENERGY AND MINERAL BOOSTER FOR PASTURES

Forage Fusion gives and pastures the energy boost of Hi-Energy Fish while providing a full suite of trace and ultra-trace Minerals to support healthy growth and photosynthesis.

Benefits:

- Can increase root mass, improving water and nutrient availability
- Provides the building blocks necessary to ensure higher nutrient density and energy content
- Improves natural immunity and resistance to drought, disease, and pest pressures
- Increases forage quality
- Visual improvements in the plants influence livestock preference
