

# Spectra

## PLANT DEFENSE BOOSTER

Spectra aids in the control of agricultural fungal, bacterial, and viral diseases and insect pests while boosting plants' natural defense mechanisms and stimulating growth and vigor. Spectra has been optimized through field trials and is proven against common diseases and pests. Experience higher yields powered by nature. Promote plant health and unlock previously inaccessible nutrients in your soil profile.

Elevate Ag is making a positive impact in the world of agriculture. With innovative ideas and cutting-edge technology, we are revolutionizing how food is grown and helping farmers increase their yields and profits. We offer products that ensure a more vibrant, productive, and sustainable future for farmers and their communities.

# Spectra

## PLANT DEFENSE BOOSTER

Spectra helps control agricultural fungal, bacterial, and viral diseases, and insect pests. It boosts plants' natural defense mechanisms while stimulating growth and vigor for healthier crops.

### Benefits:

- Activates plants' natural defenses
- Fights pathogens directly
- Protects against common insects and pests
- Stimulates plant growth and boosts yields
- Improves nutrition accessibility for plants
