

# X-Tend

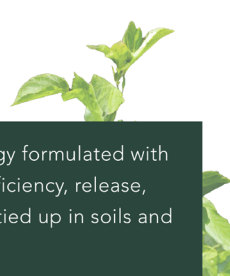

## NUTRIENT EFFICIENCY ENHANCER

Help your fertilizer work harder for you while improving your soil's health and your plants' nutrient absorption. X-TEND is an excellent source of Micro Carbon Technology® formulated with organic acids and nutrients to enhance fertilizers' efficiency, release, and uptake. X-Tend is exceptional for releasing nutrients tied up in soils and is an outstanding additive for complexing most foliar nutrients. X-Tend is the solution for improving fertilizer efficiency in the soil.

Elevate Ag is making a positive impact in the world of agriculture. With innovative ideas and cutting-edge technology, we are revolutionizing how food is grown and helping farmers increase their yields and profits. We offer products that ensure a more vibrant, productive, and sustainable future for farmers and their communities.

# X-Tend

## NUTRIENT EFFICIENCY ENHANCER

X-Tend is a source of Micro Carbon Technology formulated with organic acids and nutrients to improve the efficiency, release, and uptake of fertilizers. It releases nutrients tied up in soils and is an excellent additive for complexing most foliar nutrients.

### Benefits:

- Increases your fertilizer's natural efficiency
- Improves soil health
- Increases plant nutrient absorption
- Complexes nutrients for easier plant uptake
- Encourages root growth
- Buffers salts in high alkaline or sodium soils
